FOREWORD

Students, the LA PUERTA 1951 is yours.
We hope that you will enjoy it.

We have included in your book a small portion of the occurrences of this year. We hope that you will find it a treasure of memories in the years to come, and that whenever you leaf through the pages, you may re-live the events of days gone by.

"School Buses" is the theme, for, even as we continue our progress through the time of school, so do the wheels of buses carry on over the many miles of daily travel.

Mr. Charles R. Harris accepted his position of bus driver and head of the transportation department at Caruthers Union High School in the year 1941.

During these ten years he has devoted many hours of unselfish service to the transportation department, the general upkeep of the buses, and the welfare of the school.

In appreciation of his years of tireless work and patience, we dedicate to him this 1951 volume of LA PUERTA.

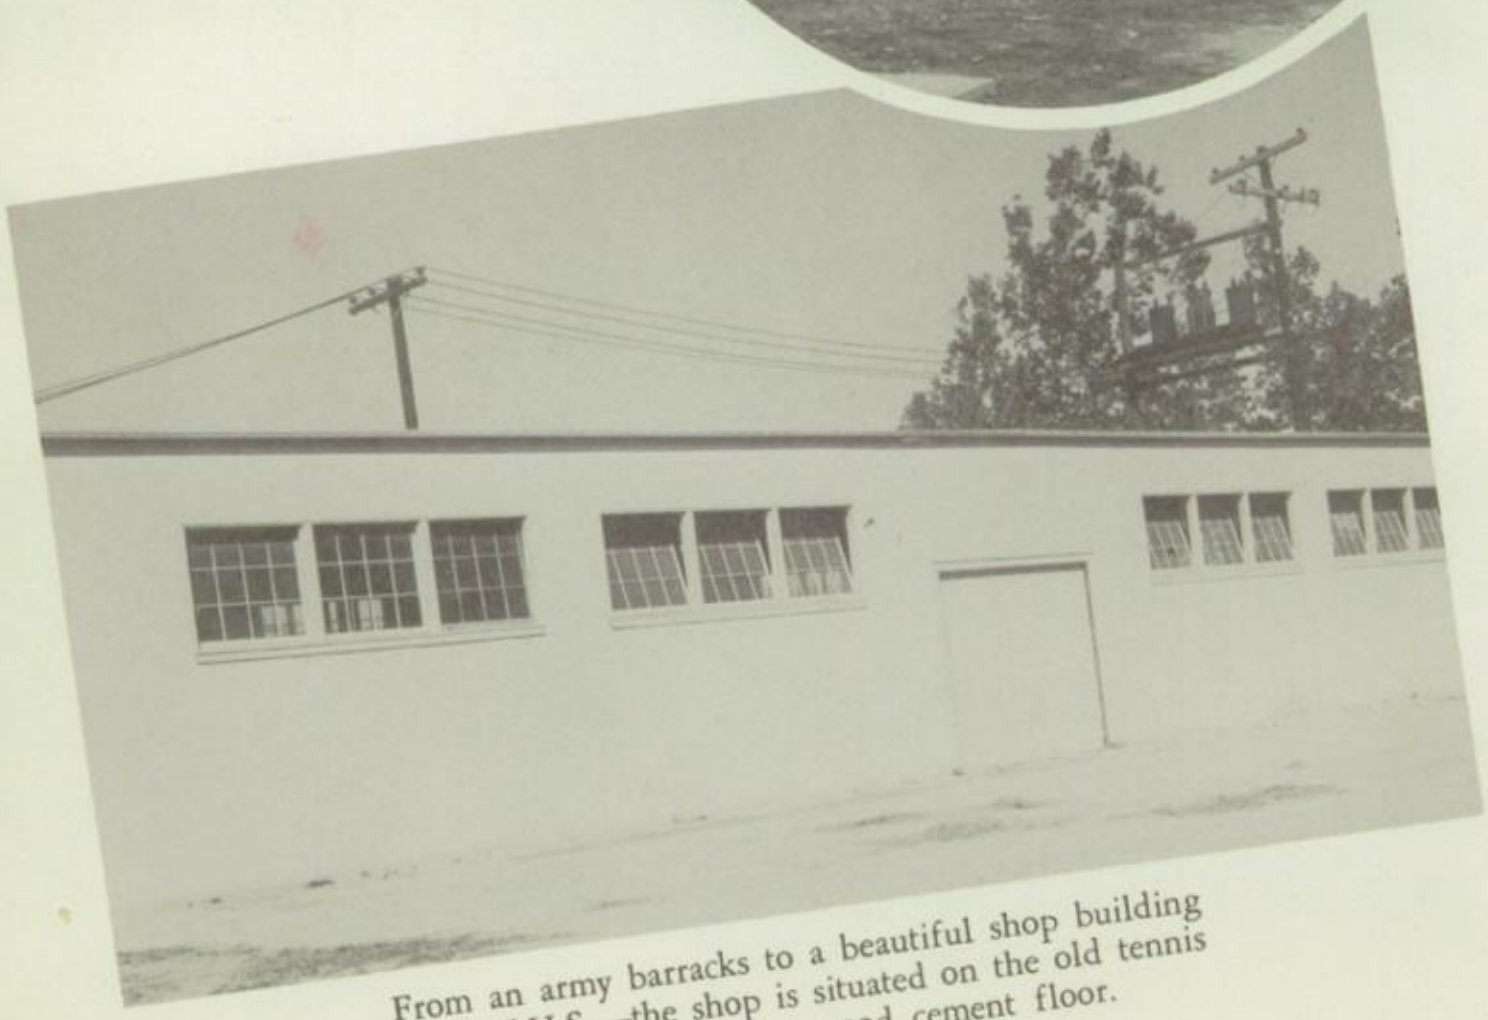
ABOUT THE CAMPUS.....

The cafeteria, from which many a delightful aroma issues, is located on the Elementary School grounds, but it is used by both high school and elementary school pupils.

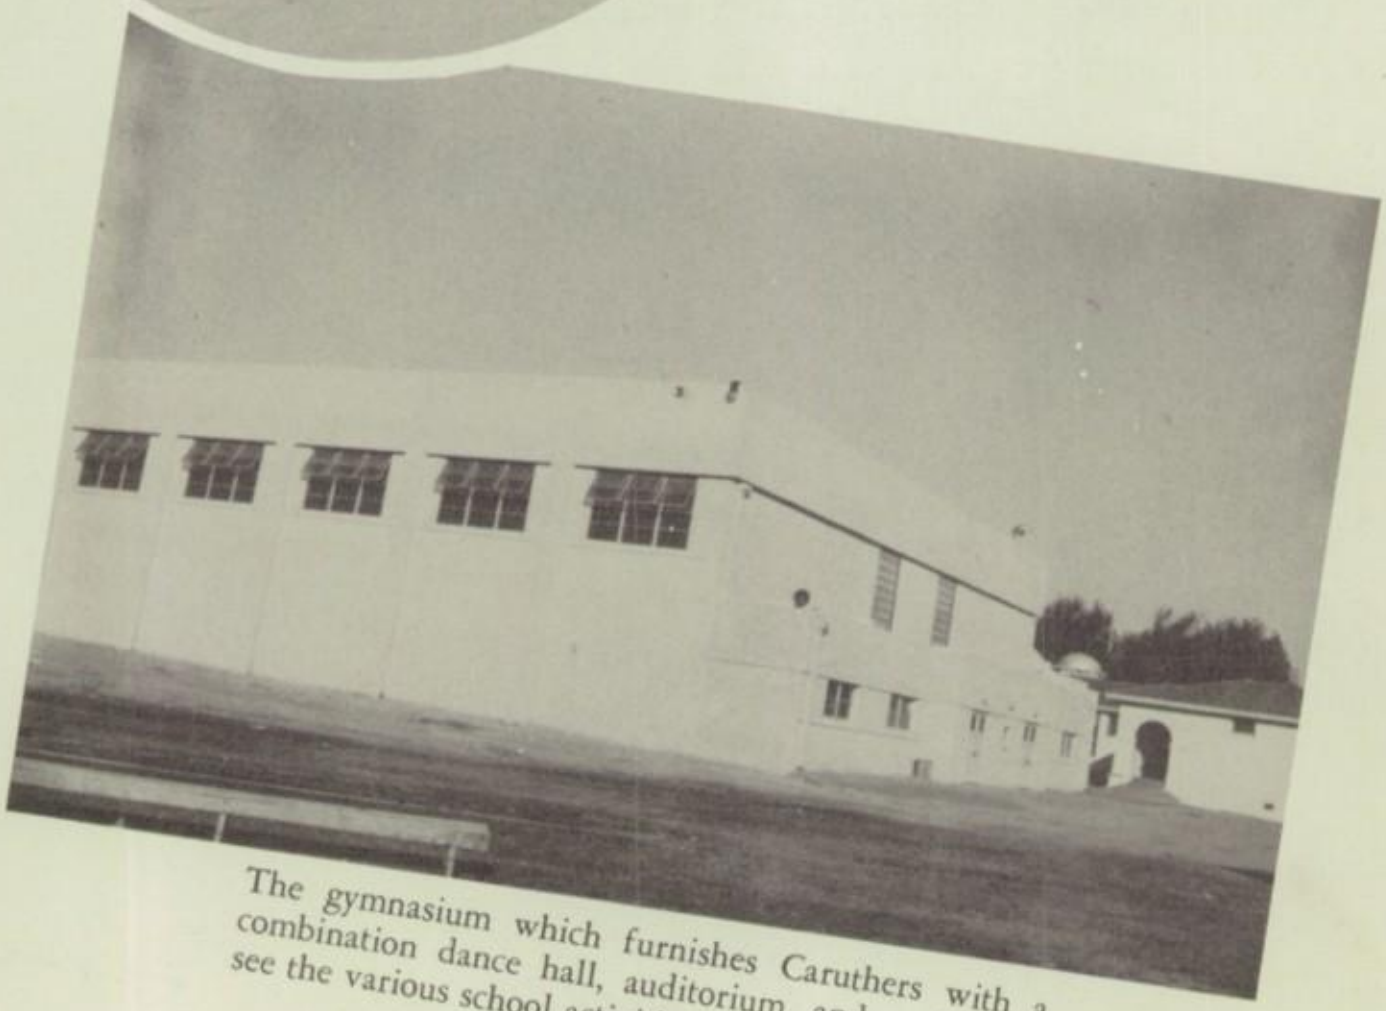
The music hall from which came many a wierd sound, and some beautiful music at times, is also used for certain assemblies and dances.



From an army barracks to a beautiful shop building for C.U.H.S.—the shop is situated on the old tennis courts, which furnished a good cement floor.

The agriculture building where many C.U.H.S. students become farmers and others learn their history, problems, and math.

The bus shed where Mr. Harris spends the greater part of his time keeping the buses in shape to transport the students to and from school.



The gymnasium which furnishes Caruthers with a combination dance hall, auditorium, and a place to see the various school activities.

This yearbook may bring back memories which will hold significant meaning in your lives. For some members of the graduating class it means the last year of sports competition; for others, work on the school paper or various committees.

You may remember some friendly teacher who helped you along the road to greater knowledge, or one who gave you valuable guidance.

To the graduating class of Caruthers High School the numerals "51" convey certain impressions. For some it will mean the opportunity to obtain a job with actual cash remuneration; others will be going into the armed forces of our country or to college for further education.

Regardless of the choice that is made, we must keep one thing foremost in our minds, "Democracy must be preserved." To maintain success and happiness, we must protect our heritage through the exercise of love, faith, and courage.

CLASS OF 1951

At last the Class of 1951 have reached the end of their high school career and are about to open the doors to higher education and opportunities of the outside world.

As we look back into the pages of our high school days, we recall such happy events as the Junior-Senior Prom in June, our Ditch Day, the Dress-up-days packed with laughs, and our senior snow parties.

We owe a great deal of our success to our wonderful advisors, Mrs. Lois Anderson and Mr. Edward Trainer, who have stood by us throughout the years.

Now, as we are about to graduate, we wish to bid farewell to Caruthers and to wish all the classes that follow, the best of luck to them in their Senior years.

COMMITTEE MEMBERS—Connie Cardoza, Dale Ripley, Virginia Byrd, Andrew Jackson, Lupe Gonzales.

HISTORY OF CLASS
1951

When, in September, 1947, the class entered as freshmen, there were nearly sixty-five members. They got the traditional initiation of lipstick and looked like regular "redskins" for several days.

After receiving their Welcome Party from the sophomores, the class launched on their active career by returning the favor.

Class officers for that year were: Grace Masterson, President; Vernin Petrey, Vice President; Colleene Pouncey, Secretary; and Margie McCormick, Treasurer.

The class was guided and directed by the Advisors, Miss Betty Tietz and Mr. Wilbur TeSelle.

The membership had reduced to fifty or more persons when school re-convened in the fall of 1948. Some had moved away; others married or dropped school to work.

Jerry Tiller was President; Wayne Davis, Vice President; Johnny Bartlett, Secretary; and Delia Hall, Treasurer during 1948-49.

A "Shamrock Swing" was sponsored in March, 1949, and various other activities were conducted.

Mrs. H. Anderson, Mr. Link Anderson, and Mr. E. Trainer were new Advisors for the year.

The class was still smaller the following year for still more students had left the company.

That was their junior year—and what a busy one it was! Like all juniors, they had to prepare to sponsor the Junior-Senior Prom.

A concessions booth was set up at the annual Caruthers Fair and pop corn, peanuts, and soft drinks were sold. Amateur barkers could be heard almost any time during the three days, building up and supporting the quality of Junior Class Products.

A queen contest was sponsored, the winner to reign over the dedication of the new gymnasium. A candidate entered from each class.

"Rainbows" was the theme chosen for the Prom and the date was set for May 26, 1950. The class as a whole immediately jumped to the task of planning and decorating the gym for the event. Crepe paper, ballons and a large rainbow ending in a pot of gold completely covered the half of the building.

Class officers were: President, Lila Love; Vice President, Jerry Tiller; Secretary, Mary Ann From; Treasurer, Margaret Reed.

Finally, in September, 1950, the class entered the doors of C.U.H.S. as seniors. Several more old members were gone and a few new faces added. The number stood at forty-two.

Officers were elected at the first class meeting. They were: Treasurer, Charles Scott; Secretary, Walter Lock; Vice President, Marian Becker; President, Lila Love.

Most of the year the students were occupied with individual responsibilities but they did get together to sponsor a semi-formal Christmas dance.

Now, at last, the class of 1951 has reached its goal. Thirty-five students are crossing the stage to receive their diplomas and go their separate ways to greater achievements.

Some of the students will continue their educations in colleges or universities; others will begin to work immediately in stores, offices, or on farms. More, especially the fellows, will be joining the armed services and going to the defense of our country. All, regardless of occupation, will retain the memories of work accomplished and sad and happy hours spent at C.U.H.S.

JUNIORS

CLASS OFFICERS—L. Chapman, President; H. Lane, Treasurer; D. Beck, Vice President.

ADVISORS—W. Rowley, D. Loveridge, J. Ritchey.

The Junior Class was off to a good start this year, by sponsoring a "Junior Booth" at the Caruthers District Fair.

The juniors sold candy, pop, and popcorn at the games as another means of raising money.

One of the largest projects the juniors attempted, was sponsoring the contest for Basketball Queen.

The profits made from these activities were used for the annual "Junior-Senior Prom" and to pay for yearbook pages. They were guided and directed through the year by Mr. Rowley, Miss Loveridge, and Mr. Ritchey, acting as advisors.

ADVISERS—Miss Thelma Weber, Mr. Hugh T. Edwards, Mr. George Mataisz.

After two years at Caruthers High the sophomores are still looking forward to next year when they will be one more step toward their goal.

In their freshman year they were lost, looking admiringly at their upperclassmen. That is, they were looking forward to being sophomores at least so they could sweep down upon the next class of freshmen with a torturous initiation.

Now, in their second year, as sophisticated sophomores, they got off to a fine start by putting on the annual freshman-sophomore dance. The dance was a big success, and also revealed the social ability of the sophomore class.

They have also entered into all the sports and won several places.

Naturally the sophomores are looking forward to becoming pretty juniors, and then high and mighty seniors.

FRESHMEN ADVISERS—Mr. Jack Cook, Mr. Carroll Speight, Mrs. Celia Ball.

On September 18, 1950, one hundred and seven slightly confused and bewildered students started their four years' career at Caruthers. For the first week, their charming countenances glowed either from lipstick or from blushing.

The freshmen soon proved that they could be a success socially. They were well behaved guests at the Welcome Dance staged by the sophomores and equally well polished hosts at the Halloween Dance which they put on for the student body.

The freshmen proved early in the year that they can balance the budget. They made money by winning on their float entry in the Caruthers Fair, by selling cakes, and by giving a dance. At the end of the year they bought a gift for the school.

HOME ARTS

Home Arts and Crafts was a new organization in school this year. The girls who joined the group learned how to mold and paint ceramics. They also gained much valuable knowledge concerning colors and color combinations. The little figurines made nice gifts or decorations for the home.

The Girls' League had their annual Christmas party December 21. There was a carnival and a banquet. The freshman girls prepared the meal.

Another of their undertakings was the Mother-Daughter Banquet held May 11.

BLOCK C

Under the able leadership of the officers and the advisors, the Block "C" has completed a very successful year. They sponsored a dance in March, and a Play Day in May. Caruthers was host to the girls of several schools in the league at this Play Day and the day was spent participating in group athletics.

Two groups of girls were initiated into the Block "C." The Constitution of the organization was revised. Changes were made in connection with credit for swimming and minor sports.

VARSITY C

Varsity C, the boys' athletic organization, has had an active year. Besides participating in all the sports events of the seasons, they sponsored Caruthers High School's first Annual Carnival on March 2, 1951. There were side shows, a fortune teller, and a police force among other novelties. The evening was ended with a dance in the gymnasium.

The club also sponsored a queen contest. The winner reigned over the Sierra League track meet and the annual Caruthers Invitational Relays held in the Radcliffe Stadium.

Back row: E. Winiger, C. Armstrong, J. Jackson, B. Hall, B. Cox, B. Mandal.

An interclass Parliamentary Procedure contest was held with the junior class emerging victorious. A team was then formed to represent the school. These boys won first place in a contest among Madera, Riverdale, Tranquillity, Chowchilla and Caruthers. The team competed in Clovis, February 13, for the sectional championship. The team also gave demonstrations before the student body, the Lions' Club, and the Young Farmers organization.

All members of the public speaking contest gave six 15 minute speeches before their classes. The top ten delivered their speeches before the student body and the top five later presented speeches for the young Farmers Association.

The Caruthers Raiders had a very successful season under the guidance of Coach Carroll Speight and Assistant Coach George Mataisz. Although the team did not win the Sierra League championship, they improved much over previous years by taking a tie for second place in the League. Through good training, physical fitness and determination, they compensated for a light weight average and a small squad.

CROSS COUNTRY

The Cross Country team proved to be quite successful this past year. A large number, about twenty, boys went out for Cross Country, but the number dwindled down to only ten. They have had meets with Laton, Hanford, Bakersfield and Coalinga.

As a reward for their excellent showings, Mr. Cook took them to Los Angeles for a meet, in which they competed with many schools.

Our team tied Bakersfield this year which proves good skill because Bakersfield had about twenty runners. Next year the prospects are for an even better year than this one.

Cross Country will be considered a major sport in the Sierra League. It will be run during the half-times at football games.

The Coalinga meet in March determined the Shasta League championship.

"C" BASKETBALL

This speedy little team came out for the 50-51 season with twenty-two players. Four failed to stay the season through.

Bowen, Gonzales, Norton and Braga made star showings in defense and offense. Half of the group earned award points for Varsity C membership.

Always present earliest in the evening's performances, the team drew a large crowd for every event because the fans liked their good clean games and precision teamwork.

The first string will make a winning "B" team for the 51-52 season while the remainder of the group will be on the "C" court again better than ever.

Kneeling: D. Lacy, D. Poole, T. Hunsacker, M. Gonzalez, T. Norton, C. Valentine, D. Short, C. Morgan, B. Kelley.

Standing: H. Ransom, L. Valentine, T. Sasselli, M. Jones, R. Bowen, A. Renden, G. Graga.

J. Jackson

Coach Speight, in his first year of coaching basketball, developed a team which, although off to a slow start, finished about midway in league standings.

Top honors went to forward Dick Beck and center Charlie Cox, who divided high points for goals throughout the year.

The B's will lose only four men for next year, so the outlook is encouraging. Also with several players from the C team coming up, and Coach Speight with this year's experience to his credit, next year should find Caruthers High possessing a real basketball team of winners.

B. Cox

Our "A" team was regarded by many of the top teams of the Sierra League as most likely to upset the League, although our team did not win many games.

Ted Collins, forward, and Dale Ripley, center, received highest honors. Lacking only length, our team proved they could shoot and rebound as well as any of their opponents in the twenty games they played.

The outlook for next year appears to be bright for Coach Cook. Billy Jo Cox, Charlie Farmer, and Avery Harris will return to take their places on the "A" squad.
